Contract No. 2016-B-1

To: Prospective Bidders

RE: **Response to Bidders' Questions No. 1, 2, and 3**

Ladies and Gentlemen:

The following are the responses to questions submitted by prospective bidders and designated as Bid Questions No.1, 2 and 3:

BID QUESTION No. 1:

Regarding the requirements of Section 2 of the NDA:

Is it acceptable to send, mail and/or e-mail only to our parent company, which exists outside the borders of the continental United States? If it is acceptable, we will submit their employee's information, according to Section 3(c) of NDA.

RESPONSE:

No, the Security Sensitive Information must **NOT** be sent, mailed and/or e-mailed to any geographic location outside the borders of the continental United States.

BID QUESTION No. 2:

Regarding the requirements of Section 7 of the NDA:

Is it required that consultants who are engaged to assist us in bidding, but who are not themselves "intending to submit a bid/quote," make a deposit of \$5,000, or are they covered by our deposit with the understanding that they will comply with and execute the NDA? If they can be covered, we will submit their employee's information, according to Section 3(c) of NDA.

RESPONSE:

No, each Consultant/Subcontractor/Supplier/Fabricator must have executed the Non-Disclosure Agreement for Bidding Purposes for the Project, and have been approved to access the Security

Sensitive Information. The District will provide the Contract Documents to the approved Consultant/Subcontractor/Supplier/Fabricator. The \$5000 deposit is fully refundable, except in the case of breach of the Agreement, and will be returned to the Consultant/Subcontractor/Supplier/Fabricator per Section 11 of the Non-Disclosure Agreement for Bidding Purposes.

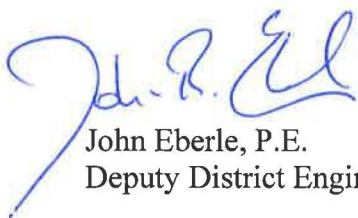

BID QUESTION No. 3:

Will the GGBHTD make a list available of the companies that have been granted access to the contract and reference documents?

RESPONSE:

Yes, upon request, the District will provide the list of companies that have executed the Non-Disclosure Agreement for Bidding Purposes for the Project, and have been approved to access the Security Sensitive Information.

Sincerely,

John Eberle, P.E.
Deputy District Engineer
